## MEMORANDUM

TO: All FPSO Members, All FPSO Partners, All FPSO Conference attendees

RE: FPSO COVID 19 – Response

---

Hello All:

The FPSO Board of Directors has decided to change our 2020 Annual Educational Conference to August 18-23, 2020. We will be at the same location, with the same conference package. Our conference package has been in final stages for the last week or so and will be ready for full distribution Monday March 16<sup>th</sup>.

We were so very looking forward to seeing you all at conference. However, in light of the provinces significant response to Coronavirus we felt it was best to reschedule our conference. We understand by the time the third week of May arrives; ideally the virus will have been managed and the outbreak dissipated. We are all hoping this will be true, but there is no way to know.

We hope you will all “Save the Date” and plan to join us in August. We will be open for registrations as soon as the conference packages are posted on line and distributed through all channels.

Furthermore:

The Board of Directors are currently meeting each month through an electronic meeting format – we will continue with this practice.

The Board of Directors will seek to continue the work set before them on your behalf – as much as possible through electronic means.

We continue to be as available to you our members as you require.
